

LOUISIANA STATE BOARD OF NURSING

Board Approved Continuing Education

Continuing education contact hours which have been approved either by another Board of Nursing or the American Nurses Credentialing Center (ANCC) are acceptable for relicensure in Louisiana. Certification by the ANCC in a specialty area of nursing by a certifying body whose requirements have been approved by the LSBN may be used in lieu of contact hours to meet the CE requirements for relicensure. Academic courses in a post-secondary institution which are related to specific knowledge and/or technical skills required for the practice of nursing or which lead to an advanced degree, or to a certification in advanced nursing, may be used in lieu of CE contact hours. Continuing education may also be obtained through one of the LSBN approved providers listed below. For detailed information related to continuing education, please refer to our Rules and Regulations, Chapter 33, Subchapter C, §3335.
