INSTRUCTIONS FOR APPLYING FOR RN LICENSURE BY ENDORSEMENT

We are pleased that you are requesting licensure as a Registered Nurse (RN) in Louisiana. You may not practice as an RN or utilize any associated titles in Louisiana until after the Louisiana State Board of Nursing (LSBN) has issued a RN license to you or you must have a privilege to practice under a multistate license issued by the nursing regulatory agency in your primary state of residence.

Louisiana is a member of the Nurse Licensure Compact (NLC). You must declare Louisiana as your primary state of residence to be eligible for consideration for a multistate license. After LSBN grants the multistate license, the RN can then engage in nursing practice in any of the NLC states without having to obtain additional licenses. You must practice according to the Nurse Practice Act within the state in which you practice. If you are not granted a multistate license and you receive a single state license from LSBN, you are only authorized to practice in Louisiana.

Applications for licensure are online through Louisiana’s Nurse Portal at: https://lsbn.boardsofnursing.org/lsbn.

This application is for RN Licensure by Endorsement. Please read all instructions before completing your application. Only submit an application if you meet the eligibility criteria listed considering application fees are non-refundable.

By submitting the application for licensure, you are attesting that you have read and understand the Louisiana Nurse Practice Act (NPA) and Rules and Regulations that govern licensure in Louisiana. The NPA and Rules and Regulations may be accessed on our website at www.lsbn.state.la.us.

During the online application process, be prepared to:
► upload a copy of a current government issued photo ID in PDF format;
► if Louisiana is your primary state of residence (PSOR), upload a PDF copy of evidence of your PSOR which includes one of the following:
   ◆ current, unexpired Louisiana driver’s license with a home address;
   ◆ current federal income tax return with a primary state of residence declaration (page 1 only);
   ◆ military form no. 2058 (state of legal residence certificate);
► upload documents in PDF format that are associated with any “yes” response to compliance questions if applicable (i.e. documents related to past arrests, documents related to malpractice payouts, court documents, etc.);
► pay fees via credit card;
► send to the LSBN office via US postal mail the completed CBC packet and affidavit of verification described below in Section B.

Application fees are non-refundable. The application fee is $100, the fee for a temporary permit is $100, and the fee for the required criminal background check is $39.25 (and is subject to change periodically).

You will be notified through the message center in the Nurse Portal when the application has been approved or if additional information is required. Check the Nurse Portal for status updates as well as the email entered as the username in the Nurse Portal for correspondence. Any additional information needed and approval letters will be sent only through the Nurse Portal or to the email address associated with the Nurse Portal account.

NOTE: Louisiana nursing licenses initially issued are calendar year licenses. Check your license expiration date carefully, as you are responsible for renewing before the expiration date to maintain an active license. Subsequent renewals are biennial (every 2 years). All licenses expire January 31st if not successfully renewed online by the nurse prior to the expiration date.

The following are instructions to apply for RN licensure in the State of Louisiana by endorsement. You are expected to complete all applications and forms carefully, correctly, and accurately. Incorrect or incomplete applications will delay licensure. Falsifying applications is illegal. If you have never been licensed as an RN in another U.S. State, please see the separate instructions and forms on how to apply for initial RN licensure by Examination on the LSBN website or in the LSBN Nurse Portal. If you were previously licensed as an RN in Louisiana, but that license is inactive or retired,
instructions and forms on how to apply for Reinstatement are also available on the LSBN website and in the LSBN Nurse Portal.

SECTION E: ADDITIONAL REQUIREMENTS FOR INTERNATIONALLY EDUCATED NURSES (educated outside the US)

Options for licensure:

1) Licensure by examination (those IENs who have not taken the NCLEX-RN or SBTP in any country, US state or territory):

*Step one: contact the Commission on Graduates of Foreign Nursing Schools (GGFNS) and:

1) register to take the CGFNS Qualifying Exam. The CGFNS Qualifying Exam is administered in the US and over 80 other countries. For more information, please go to the CGFNS website: www.cgfns.org. Once you have taken and passed the CGFNS Qualifying Exam, you must have CGFNS issue an official certificate directly to the LSBN.

2) request a Credentials Evaluation Service Report (CESPR) be issued directly to LSBN. The CESPR analyzes international education and licensure in terms of comparability to Louisiana requirements.

*Step two: pass an English proficiency examination administered by either the Test of English as a Foreign Language (TOEFL) or the International English Testing System (IELTS) (academic version). Once you have passed the examination, you must have a test report from the educational testing service issued directly to LSBN. Please refer to the English proficiency testing agencies for report expiration dates.

*Step three: complete and submit an application for licensure by examination to the LSBN, along with required fees and supporting documents, including a copy of current/valid government issued photo identification (i.e. US Residency Card or Green Card, passport or driver’s license).

*Step four: once LSBN staff has received all necessary fees and documents, staff will determine your eligibility status to sit for the NCLEX-RN. You will be notified in writing when the review process has been completed.

-OR-
2) Licensure by endorsement (those IENs who have taken the NCLEX-RN in any country, US state or territory):

*Step one: contact the Commission on Graduates of Foreign Nursing Schools (CGFNS) at: www.cgfns.org and request a Credentials Evaluation Service Report (CESPR) be issued directly to LSBN. The CESPR analyzes international education and licensure in terms of comparability to Louisiana requirements.

*Step two: pass an English proficiency examination administered by either the Test of English as a Foreign Language (TOEFL) or the International English Testing System (IELTS) (academic version). Once you have passed the examination, you must have a test report from the educational testing service issued directly to LSBN. Please refer to the English proficiency testing agencies for report expiration dates.

*Step three: complete and submit an application for licensure by endorsement to the LSBN, along with required fees and supporting documents, and a copy of current/valid government issued photo identification (i.e. US Residency Card or Green Card, passport or driver’s license). The application and instructions may be located at http://www.lbsn.state.la.us/Portals/1/Documents/Forms/RNEndorsementApplication.pdf.

CANADIAN EDUCATED NURSES (except Quebec) - if you wrote the NCLEX-RN or the Canadian Nurses Association Testing Service Examination (CNATS), written in the English language, a verification of nursing license form must be completed by your original Canadian province and mailed directly to LSBN. Verification of nursing license will also be required from the US state where the NCLEX had been taken (if applicable), as well as current state/province (if different). If you graduated from a Canadian nursing school with only a ‘PASS’ result on the Canadian Board Exam (CNATS) and not an actual score, or if the test was not taken in English, you will be required to take and pass the NCLEX-RN exam unless already taken as part of licensure for another U.S. state. If applicant had received one ‘single integrated’ score on the CNATS exam, a minimum score of 400 is required. If the Canadian Board exams taken had issued ‘individualized scores by area of nursing’, then a minimum of 350 in each area is required, otherwise you will have to take and pass the NCLEX-RN exam.

NOTE: Internationally Educated Nurses are not eligible for the 90-Day Temporary Permit.

All IENs must have been issued a US SSN. If you do not have a US SSN:

1) contact the US Social Security Administration directly and apply for one at www.ssa.gov. This process can be lengthy and should be started as soon as possible. RN licensure will not be issued without a US SSN.

2) you will not be able to apply for licensure electronically. Please contact the LSBN board office for instructions.

FINGERPRINT INSTRUCTIONS FOR CRIMINAL BACKGROUND CHECK (CBC)

1) Authorization Forms: Complete, sign and date both of the following CBC authorization forms and submit to LSBN together with the appropriate licensure application (if applicable), fees, and two (2) fingerprint FBI cards:
   * CBC1a: Authorization for Criminal Background Check – Page I
   * CBC1b: Authorization for Criminal Background Check – Page II
   * Students submit completed cards to the office of your program head.

Fingerprinting: Contact your campus security (if you are a student) or state or local police/sheriff’s office to inquire about their procedures, fees and locations for fingerprinting services. You must be fingerprinted by a law enforcement official onto two (2) official Federal Bureau of Investigation (FBI) fingerprint cards. If your local law enforcement office does not have blank FBI cards, print paper cards to bring to the law enforcement office for fingerprinting at https://www.fbi.gov/file-repository/standard-fingerprint-form-fd-258-1.pdf/view. If providing the CBC fingerprints cards & authorization sheets to apply for initial licensure (including out of state exam applicants) or reinstatement in Louisiana, they must accompany a copy of your receipt after applying for licensure online through the Nurse Portal: https://lsbn.boardsofnursing.org/.

   ➢ Each of the two (2) FBI cards need a separate and distinct set of your fingerprints. If the law enforcement agency utilizes an electronic scan system (‘LiveScan’), request they scan both hands for your fingerprints and print the first (1st) FBI card, then scan your hands again to print your fingerprints on the second (2nd) FBI card.

   ➢ The following suggestions may improve the quality of your fingerprints to ensure LSBN receives the results of your CBC promptly:
      ▪ Hands must be clean and dry. Wash your hands vigorously with warm water and dry thoroughly immediately prior to being fingerprinted.
      ▪ If hands are very dry or cracked, wash hands and apply a touch of moisturizer onto fingertips, removing any excess lotion with paper towel prior to being fingerprinted. This may help raise the ridges for printing.

   ➢ L.A.C.46:XLVII.3330 J-K states:
      ▪ If the fingerprints are returned from the Department of Public Safety as inadequate or unreadable, the applicant, or licensee must submit a second set of fingerprints and fees, if applicable, for submission to the Department of Public Safety.
      ▪ If the applicant or licensee fails to submit necessary information, fees, and/ or fingerprints, the applicant or licensee may be denied licensure on the basis of an incomplete application or, if licensed, denied renewal, until such time as the applicant or licensee submits the applicable documents and fee.

   ➢ View both FBI cards before you leave the facility where you’re being fingerprinted. If any of the fingerprints are outside the boxes, appear too light, too dark, or obviously smudged, have the technician prepare an extra set of cards and submit both sets (all four cards) along with your forms. Protect both FBI cards from smudges. Do not fold or staple. Do not submit 2 copies of the same prints.

   ➢ All fingerprint cards must be signed by the applicant/nurse with all sections filled out completely with the exception of the “employer and address” section.

   ➢ Individuals who are already licensed Registered Nurses may opt to have fingerprints scanned in person at the LSBN office (‘LiveScan’) by board staff instead of submitting paper FBI cards. ‘LiveScan’ fingerprinting must be completed before 3:00 pm central standard time (CST). The LSBN office opens at 8:30 am (CST) but closed for all state and federal holidays. Please arrive at the LSBN office by midday to allow sufficient time for processing if using the ‘LiveScan’ CBC option. The nurse must have submitted the completed application online through the Louisiana Nurse Portal prior to arriving for ‘LiveScan’ fingerprinting.

2) Fees due LSBN for CBC:

   ➢ $39.25 – Paid electronically with submission of your application through the Nurse Portal; and an additional $10.00 – Payable to Louisiana State Board of Nursing (LSBN) only if coming in person to the LSBN office for the ‘LiveScan’ service. (Available to Licensed Registered Nurses only).

The additional fee for LiveScan must be paid by Money Order or Bank Cashier’s Check payable to LSBN

NOTE: If you are submitting to a CBC because you are applying for licensure or permission to enroll in clinical nursing courses, please read the application instructions carefully regarding payment of fees. Some application instructions will provide a ‘total fee’ to submit along with the application which may include the CBC fee noted above.
