Dear Ms. Longstreet:

Your request for an official opinion of the Board of Nursing regarding the legality of a registered nurse performing lymphangiograms was presented to the Board at its meeting on December 1, 1983.

The Board's opinion is that the performance of lymphangiograms is not within the legal realm of nursing.

The Board members appreciated the opportunity to discuss this matter with you.

Sincerely,

Sister Lucie Leonard, R.N.  
Nursing Practice Consultant
