Dear Mesdames Jeansonne and Lanza:

Your request for an opinion of the Board of Nursing regarding a registered nurse delegating of central line site care to an unlicensed person was presented to the Board at its August 24, 1995 meeting.

The Nursing Practice Committee studied your request and reviewed previous related opinions of the Board. The Committee then formulated a recommendation to the Board of Nursing. On August 24, 1995 the Committee presented its recommendation to the Board, and after due deliberation, the Board adopted the following opinion:

In reference to agenda item 5.5, it is not in accord with the administrative rules for the registered nurse to delegate central line site care to unlicensed personnel.

If you have questions about this opinion, please feel free to contact me.

Sincerely,

Barbara L. Morvant, MN, RN
