Dear Ms. Himel:

Your request for an opinion of the Board of Nursing regarding a registered nurse administering Diprivan as IV conscious sedation was presented to the Nursing Practice Committee at its January 6, 1997 meeting.

The information you submitted with your request was studied by the Board. At the February 5, 1997 meeting of the Board, the Committee presented its recommendation to the Board. After due deliberation, the Board adopted the following opinion:

In reference to agenda item 4.5, the Board of Nursing reaffirmed their previous decision (npop 96.16) regarding the administration of Diprivan (Propofol).

If you have any questions regarding this matter, please contact me.

Sincerely,

Barbara Morvant, MN, RN  
Executive Director
