COVID-19 Guidance Document

Limitations on Dispensing Chloroquine & Hydroxychloroquine During COVID-19 Outbreak

Based on new information, the Board has issued a new [guidance document](#) strongly encouraging pharmacists to exercise their professional discretion when dispensing chloroquine and hydroxychloroquine during the COVID-19 public health emergency.

Distribution of this Notice - to all of the following for whom we have email addresses on file:

- > *List of Interested Parties*
- > Pharmacies
- > Pharmacists
- > Pharmacy interns
- > Pharmacy technicians
- > Pharmacy technician candidates
- > Prescriber licensing boards
- > Prescriber membership organizations
- > Prescribers with controlled substance licenses

For the Board:
Malcolm J Broussard
Executive Director
