phone: 225.755.7500
fax: 225.755.7584

Effective immediately, the 2019 CNE Audit is suspended. If you were selected randomly for audit of your 2019 continuing nursing education and were unable to meet the original March 12, 2020 deadline for submitting your materials, you are hereby granted exemption from providing your CNE documents until further notice. You will be required to supply these documents at such time as the current healthcare crisis has ended.

Karen C. Lyon
