Part I. Financial Incentive Programs

Chapter 11. Quality Jobs Program

§1107. Application Fees, Timely Filing

A. The applicant shall submit an advance notification on the prescribed form before locating the establishment or the creation of any new direct jobs in the state. All financial incentive programs for a given project shall be filed at the same time, on the same advance notification form. An advance notification fee of \$100, for each program applied for, shall be submitted with the advance notification form. An advance notification filing shall be considered by the department to be a public record under *Louisiana Revised Statutes*, title 44, chapter 1, Louisiana Public Records Law, and subject to disclosure to the public.

B. An application for the Quality Jobs Program must be filed with the Office of Business Development, Business Incentives Services, P.O. Box 94185, Baton Rouge, LA 70804-9185 on the prescribed forms within 18 months after the first new direct job is hired; however, no more than 24 months after the department has received the advance notification and fee. Failure to file an application within the prescribed timeframe will result in the expiration of the advance notification. An extension to the advance notification of no more than 6 months may be granted if the applicant requests, in writing, the extension prior to the expiration of the advance notification.

C. An application fee shall be submitted with the application based on the following:

1. 0.2 percent (.002) times the estimated total incentive rebates (see application fee worksheet to calculate);

2. the minimum application fee is \$200 and the maximum application fee is \$5,000 for a single project;

3. an additional application fee will be due if a project's employment or investment scope is or has increased, unless the maximum has been paid.

D. An application to renew a contract shall be filed within 60 days of the initial contract expiring. A fee of \$50 must be filed with the renewal contract. The board may approve a request for renewal filed more than 60 days but less than 5 years after expiration of the initial contract, and may impose a penalty for the late filing of the renewal request, including a reduction of the 5-year renewal period.

E. The Office of Business Development reserves the right to return the advance notification, application, or annual certification to the applicant if the estimated exemption or the fee submitted is incorrect. The document may be resubmitted with the correct fee. The document will not be considered officially received and accepted until the appropriate fee is submitted. Processing fees for advance notifications, applications, or annual certification that have been accepted for eligible projects shall not be refundable.

Board of Nursing**

Licensure by Endorsement (LAC 46:XLVII.3327)

In accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., and through the authority granted in R.S. 37:918, the Louisiana State Board of Nursing (LSBN) has amended Chapter 33 of its rules particular, by amending §3327.A.9. The Rule allows the Louisiana State Board of Nursing the ability to accept transcripts that are provided by third party vendors. Universities across the country utilize the electronic student records exchange system for verifying education transcripts. Using third party contractors allows universities to forego paper systems and frees up their resources for other academic activities related to students' enrollment.
