

Notice of Rulemaking Activity

At its meeting held on April 30, 2014, the Louisiana State Board of Nursing approved an amendment to Section §3328 and 4513, Temporary Permits Rules and Regulations, Title 46, Professional and Occupational Standards, Part LXVII. Nurses, Subpart 2: Registered Nurses. The proposed revisions authorize the board to issue a Special Healthcare Event Temporary Permit to an individual to practice as a registered nurse or advanced practice registered nurse to provide services in Louisiana, during a gratuitous special healthcare event.

The first step in the rulemaking process is the publication of the Board's Notice of Intent in the August 20, 2014 edition of the *Louisiana Register*. As of August 20, 2014 you will be able to access the publication free of charge at the state register's website at www.doa.louisiana.gov/osr. The Notice of Intent can be found [here](#).

The Board requests to receive written comments on the proposed revisions by September 10, 2014. Please direct all written communications regarding this proposal to my attention at the Board office.
