Effective July 1, 2010, there will be a \$10.00 fee to anyone processing a live fingerprint scan at the Louisiana State Board of Nursing's office in lieu of going to State Police or other qualified agency. This fee may be paid in combination with other fees with a single money order made payable to Louisiana State Board of Nursing (LSBN). For example a walk-in Endorsement applicant that is submitting an application and needing a fingerprint scan can submit one money order for the amount of \$155.25 (\$100.00 application fee, \$45.25 processing of print by FBI/State Police, \$10.00 to scan fingerprints).

Please note that individuals who are required to submit a second set of prints because they were rejected as unreadable do not have to repay the fingerprint fees if they meet the following conditions: 1) LSBN processed the initial fingerprint scan and 2) the second set of prints is submitted within 90 days of original fingerprint scan.
