Dear Ms. Bryant:

Your request for an official opinion of the Board of Nursing regarding your proposed Breast Cancer Screening and Detection Clinic was presented for the Board's deliberation on July 25, 1985.

The Board determined that the activities described in your "Proposal for Breast Screening Clinic" are within the legal realm of the practice of a registered nurse.

The members of the Board appreciated the opportunity to discuss this matter with you before issuing their opinion.

Sincerely,

Sister Lucie Leonard, R.N.
Nursing Practice Consultant
